MIKE LAMB

GROUP CIO WEL NETWORKS LTD

“At WEL Networks we are always looking at innovative ways to deliver best in safety, best in service. This trial was extremely successful and it gave our Executives hands on experience with the Unvired application before selecting Unvired as our mobile solution providers. Having the ability to approve purchase orders away from their desks simplifies and streamlines the PO approval process, driving commercial efficiencies.”

ABOUT WEL NETWORKS

We are in the business of providing the electricity to the homes, businesses and farms in the Waikato region. Our job is to build, operate and maintain the physical network and the technological smarts which drive it.

Our skills, technologies and thinking are also becoming sought-after in building essential services for the future, starting with the rollout of ultrafast broadband.
