### ABOUT UNVIRED

Unvired delivers solutions to enable the Digital Enterprise. Unvired mobilizes SAP, Oracle, and other backend systems, enabling greater employee productivity and customer satisfaction. Headquartered in Houston, TX and with customers in N. America, Europe, South Africa, and APAC, Unvired is committed to its clients realize the benefits of enterprise mobility at a disruptively low cost and time to implement and continues to innovate in enterprise mobility.

### BUSINESS CHALLENGES:

- Digitize paper-based forms for data collection - environmental concerns.
- Lack of data validation & consistency in data capture.
- Inefficient work processes - manual data entry into SAP
- Increase Work Safety
- Lack of proper record keeping & compliance
- Lack of real-time data & insights

### SOLUTION:

Over 30 Paper forms converted to Digital:

- Deployed on iPads, iPhones, and Windows 10 Getac devices
- Works offline
- Create Notifications in SAP from within a Form
- Integrates with Microsoft SharePoint
- Check-In Check Out feature—multiple people can collaborate and complete the form.
- Centralized web portal for managing form assignments & revisions.

### PROJECTED BENEFITS:

- Streamlined work processes.
- Increased Asset/Drill Rig uptime.
- Increased Work Safety.
- Increased Compliance with Regulations.
- Since the data is stored electronically, huge potential for running BI tools to gather insight
